

## **EQUALITY, DIVERSITY & INCLUSION POLICY**

QuantIC believes that everyone should be treated with dignity and respect at work and are taking steps to embed EDI principles in all aspects of our strategy, policies and operations.

QuantIC is a consortium spanning eight UK Higher Education Institutions and the Hub's EDI policy builds upon and complements the policies, practices and support that is already available at our partner Universities.

Our partner institutions are committed to promoting equality in all their activities and have policies in place to provide a work, learning, research and teaching environment free from discrimination and unfair treatment.

More information on the policies of our partners is available at the following links:
